

He Does All Things Well

written by Guy Robinson/Wayne Watts Publishing/BMI

V:

We serve a God who is able to do all things
Far above and beyond what we ask or think
I have never seen the righteous forsaken no
God is there every time that I need him most
We all were able to prevail, God can do anything but fail
He is a present help and He does all things well

We serve a God who is able to do all things
Far above and beyond what we ask or think
I have never seen the righteous forsaken no
God is there every time that I need him most
We all were able to prevail, God can do anything but fail
He is a present help and He does all things well

He will deliver you, take good care of you
God does all things well,
He'll hear your faintest cry, answers by and by
God does all things well
(Repeat)

We all were able to prevail, God can do anything but fail
He is a present help and He does all things well

He will deliver you, take good care of you
God does all things well,
He'll hear your faintest cry, answers by and by
God does all things well
(Repeat)

We all were able to prevail, God can do anything but fail

He is a present help
(Repeat 8x's)

He is a present Help and He does all things well
