

I Was Made To Worship You

written by Myron Williams/Puga World Music/ASCAP

Verse 1:

Am I worthy to raise my hands to give you worship
Have I lived a life that's pleasing in your sight
Have I opened up my heart so that you may enter
Then if not, alone I must apologize

Am I worthy to raise my hands to give you worship
Have I lived a life that's pleasing in your sight
Have I opened up my heart so that you may enter
Then if not, alone I must apologize

All my sins I bring and lay them at the altar
With my lips I ask of you Lord please forgive me
with all sincerity I do surrender, I'll do your will, I'll do your will
because I was made to worship you
because I was made to worship you

All my sins I bring and lay them at the altar
With my lips I ask of you Lord please forgive me
with all sincerity I do surrender, I'll do your will, I'll do your will
because I was made to worship you
because I was made to worship you

All my sins I bring and lay them at the altar
With my lips I ask of you Lord please forgive me
with all sincerity I do surrender, I do your will, I'll do you will
because I was made to worship you
because I was made to worship you
