

## **Magnify The Lord With Me**

written by Guy Robinson/Wayne Watts Publishing/BMI

Oh magnify the lord with me, won't you help me Bless His name  
For He's the awesome God, Wondrous things He's done  
He's greatly to be praise

Oh magnify the lord with me, won't you help me Bless His name  
For he's the all some God, Wondrous things He's done  
He's greatly to be praise

So I will lift up holy hands, glorify Him with the dance  
For He's the alsome God, Wondrous things He's done  
He's Greatly to be Praised

Oh magnify the lord with me, won't you help me Bless His name  
For he's the awesome God, Wondrous things He's done  
He's greatly to praise

So I will lift up holy hands, glorify Him with the dance  
For He's the alsome God, Wondrous things He's done
